'62 CHEVROLET *Rich new styling with Jet-smooth r*

Here's everything a car fancier could want. Fresh-minted style that comes to a climax in the sportiest sport coupe you've seen yet. A road-gentling Jet-smooth ride. A new choice of V8 skedaddle. Rich Body by Fisher interiors. Beauty that's specially built to stay beautiful. Here in '62 is more than ever to please you from the make that pleases most people.

It's like owning an expensive car without the expense. Check it over from its clean-thrusting prow to its rakish rear deck. Look inside the deep-well trunk. Then—head for the open highway. ■ That sittin'-on-satin feeling you get is Chevrolet's famous Jet-smooth ride at work—with a pliant Full Coil spring cushioning at each wheel. The standard six and V8 are triggered to do special things on regular gas, and for real hair-trigger reflexes you have a choice of four optional-at-extra-cost V8's with output all the way up to 409 hp. ■ ... helpers (like the new steel front ... that guard against corrosion) give ... for-keeps beauty. Even the heater ... come as standard equipment this year ... kind of car that will make you feel luxur... and your Chevrolet dealer will be only too happy to show you how easy it is to have one of your own.

Corvair Monza Club Coupe

THE '62 CORVAIR MONZA

Meet the car that puts sport in the driver's seat! Bigger new brakes and Corvair's renowned rear-engine traction offer just about the surest footed going on the road. A new Monza Station Wagon makes its debut. And all models sport freshly tailored upholstery inside matched by sassy new styling accents outside.

This jim-dandy's got the stuff that drivers dote on. ■ Backstage you have a standard aluminum air-cooled engine that turns up 80 hp. (or if you like more razzamatazz, one that uncorks 102 hp*). ■ Sure enough, there's independent suspension on all four wheels to keep the ride as amiable as ever. Inside, you'll find a heater and defroster, cigarette lighter, dual sunshades, front-door armrests and automatic choke as standard equipment on most models. ■ There are lots of reasons for liking what's new—and tried and true—in the '62 Corvair. And your dealer's eager to tick 'em off for you.

*Optional at extra cost.
